

Take A Breather Foundation's 25th Annual Narberth Run

5 Mile Run | 2 Mile Walk | Kids Fun Run

TO SUPPORT THOSE BATTLING CYSTIC FIBROSIS

Saturday, September 26, 2020*

Narberth Park, 80 Windsor Ave., Narberth, PA 19072

9:00AM

The Narberth Run began as a centennial celebration for Narberth Borough in 1995. The following year, it enabled the first wish for a child battling cystic fibrosis (CF). Now, 25 years later, the Narberth Run has since birthed the Take A Breather Foundation, providing over 250 “breathers” for children and adults battling the terminal disease.

The 5 mile run winds through the charming streets of Narberth Borough, immediately followed by a 2 Mile Family Fun Walk along the same course, only shortened! This USATF Certified course is one of the area's more challenging 5 mile runs and makes the perfect “tune- up” for Broad Street! See you on the course!
